Device markers
ESG 6/15 K MC NEUTR. WS

ESG is the tried-and-tested marker in the MultiCard format for use on many well-known electrical devices. The result is high-quality device markers with a high-contrast appearance. Various types are available for the devices of the following manufacturers:

- Siemens
- Télémecanique
- ABB
- Beckhoff
- Lumberg
- All-purpose usage, depending on the type: self-adhesive or clip-on tags

The advantages at a glance:

- Universal usage, self-adhesive or clip-on tags, depending on type
- For sequential equipment, e.g. cable protective circuit-breakers, we supply ESG markers for clipping onto tag rails
- Individual laser quality printing according to specifications

General ordering data

Order No.	1880100000
Type	ESG 6/15 K MC NEUTR. WS
Version	Device markers, MultiCard, 15 x 6 mm, Polyamide 66, Colour: White
GTIN (EAN)	4032248478781
Qty.	200 pc(s).

Creation date March 9, 2012 4:54:44 PM CET

Device markers

Technical data

Dimensions

Length	15 mm	Width	6 mm
Height	0.8 mm		

Markings

Adhesive	Double-sided adhesive tape	Cadmium	No
Can be labelled with thermal transfer printers	No	Can be printed with plotter	Yes
Can be written with dot-matrix printer	No	Can be written with laser printer	No
Colour	White	Conductor O.D.	-
Flammability class UL 94	V-2	Halogen	No
Material	Polyamide 66	Material colour according to resistance code	9
Operating temperature range, max.	100 °C	Operating temperature range, min.	-40 °C
Pin can be written (STI)	Yes	PrintJet	Yes
Silicone	No	Speed marking laser	No
Version	Self-adhesive

Product information

Description of article	MultiCard markers for labelling devices
Product description	ESG is the well-established marker in MultiCard format for many well-known devices. This is a high-quality device marker with a high-contrast appearance.

- For devices from ABB, Siemens, Moeller and Télémécanique.
- For universal use - available in self-adhesive and clip-on forms.
- Ideal for clipping to tag rails for marking rows of circuit-breakers or other equipment
- Please do not use self-adhesive Multicard markers together with the SMark.
