

Quiet value

For years Antec's award winning Solution Series of enclosures has provided cost effective, quality case + power supply combinations. The NSK4480 and NSK4480B Mini Tower cases, now brings environmentally-friendly and quiet computing features to make it Antec's best value ever. Along with its exceptional ventilation and attractively understated styling, the NSK4480/B features an 80PLUS® Certified EarthWatts 380W ATX12V v2.2 power supply with universal input and active PFC—so you can place its beauty anywhere you want.
